INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Under the provisions of 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicant submits herewith copies of publications that the Office may wish to consider in examination of the subject application. The publications were cited in the PCT International Search Report dated March 3, 2003, in connection with the corresponding PCT application, and are listed on the attached form PTO-1449.

As presently understood, the relevance of the German language James, et al. paper is that it was cited as an "A" reference in the International Search Report.

As Applicants have not yet received a first Office Action on the merits, this

submission is believed timely under 37 C.F.R. § 1.97(b)(3).

Respectfully submitted,

By
